Jeff is a Managing Director, Structured and Corporate Finance for GE Capital, Healthcare Financial Services, a premier provider of financing to the healthcare industry.

He specializes in providing leverage finance and asset based senior debt capital to healthcare companies for working capital, leveraged buyouts, recapitalizations, and restructurings. Jeff has been with GE Capital since 2001, managing teams that underwrite and manage senior secured healthcare loans. He has considerable experience in restructurings and challenging credits.

With in-depth industry knowledge and expertise, GE Capital, Healthcare Financial Services has provided more than \$60 billion in financing to companies in over 40 healthcare sub-sectors including senior housing, hospitals, pharmaceuticals, and medical devices. Our team of professionals creates business and financial solutions tailored to meet the individual needs of our customers. For more information, visit gecapital.com/healthcare.
